

Actuarial Certificate

The dissolution provisions of the

--

pension scheme are set out in the attached copy of the relevant winding-up or dissolution clause.

I am informed that the sum of unpaid contributions due from the employer on his own account to the scheme in respect of the 12 months immediately preceding

(date of insolvency) is	£	:
-------------------------	---	---

I certify that, in my opinion, if the sum of

£	:
---	---

representing *the whole *part of these unpaid contributions due from the employer on his own account were paid into the scheme and the scheme were then dissolved in accordance with the relevant winding-up or dissolution clause, the said sum of

£	:
---	---

would be wholly used under the provisions of that clause to meet appropriate dissolution expenses and the benefits set out in the relevant clause
